Dear Michael Wessels,

It is my distinct honor to formally offer you a **Student Co-op** position with the Cyber Technology and Information Security Lab of the Georgia Tech Research Institute. The position is to start **Summer Semester 2018** at a starting salary of **$22.60** per hour.

As required by Institute policy, this offer of employment is contingent upon successful completion of a background investigation, if not already executed, included a criminal background check demonstrating your eligibility for employment with the Georgia Institute of Technology as determined by Georgia Tech in its sole discretion, confirmation of the credentials reflected in your application materials, and other necessary checks, if applicable.

We are very excited about the opportunity for you to join our team. The skills and willingness to learn that you bring to the table are superb. It is our hope that a position with the Georgia Tech Research Institute will be a rewarding one for both you and us.

To indicate your acceptance of this position, please sign and date one copy of the letter and return it to me.

Thank you for your interest in our position. I look forward to your response.

Sincerely,

Gavin Gresham

Research Scientist

Georgia Tech Research Institute

I will accept the position as offered in this letter.
